1. Please DO NOT combine all documents into one PDF, compress files to a Zip file, or send a link to a folder. Email separate documents, even if it takes several emails. Photos are acceptable if they are legible. Test them for legibility first before sending. Ensure the photo is NOT a video. PDF is preferable.
2. Applications will not be approved until all applicable eligibility documents are received.
3. Bills must be dated no earlier than the previous month. If the bill is overdue, and is showing past due amounts, then all previous monthly bills that contribute to that overdue amount must be sent.
